Just because I asked a friend about her
Just because I spoke her name somewhere
Just because I rang her number by mistake
Today she thinks I still care

Just because I haunt the same old places
Where the mem'ry of her lingers everywhere
Just because I'm not the happy guy
I used to be she thinks I still care

Oh, if she's happy thinking I still need her
Then let that silly notion bring her cheer
But how could she ever be so foolish
Where would she get such an idea

Just because I asked a friend about her
Just because I spoke her name somewhere
Just because I saw her then went all to pieces
She thinks I still care, she thinks I still care
