Yume no yoru What a night in China,
What a night in China
Harbor lights,
Deep purple night,
Ah, ship,
The dreamship
I can't forget
The sound of the Kokyu.
Ah, China night,
A dream night.
What a night in China,
What a night in China,
Over the willow window,

A ramp was shaking,
Chinese lady
Was there like a bird,
Singing love songs,
Sad sounding love songs
Ah, China night,
A dream night.
What a night in China,
What a night in China,
I was waiting in the parapet
There was this girl in a rain
The rouge on her cheeks
Like flowers were in bloom,
Forever, I will remember
Even after we separated,
Ah, China night,
A dream night.
