Tonight I found my true love
Tonight I found my world is you love
You are here young and warm
Say, you'll stay forever in my arms safe from harm

Oh, oh, oh, surely you must know how much I care
Our love will grow if you'll just let me know, you'll
always be there
(Tonight for me to love)

Tonight I found my true love
Tonight I found my world is you love
I thought I had everything
But I never knew my heart could see

Oh, oh, oh, surely you must know how much I care
Our love will grow if you'll just let me know, you'll
always be there
(Tonight for me to love)
Tonight
