UH-HUH-MM

WRITERS SYLVESTER BRADFORD, AL LEWIS

Uh-huh-huh, uh-huh-huh Well I see a pretty girl walking
down the street uh-huh-huh, uh-huh-huh Well I see a
pretty girl walking down the street I'm gonna walk right
up I'm gonna say real sweet Uh-huh-huh, mm, mm, uh-
huh-huh, huh-huh-huh-huh Well I say hey baby, baby
who's your guy uh-huh-huh, uh-huh-huh Well I say hey
baby, baby who's your guy Cause he can't love as good
as I Uh-huh-huh, mm, mm, uh-huh-huh, huh-huh-huh-
huh She looks into my eyes, we both are hypnotized
She puts her hand in mine afraid she'll jerk around and
hurt my spine Well my baby's kisses are jet propelled
uh-huh-huh, uh-huh-huh Well my baby's kisses are jet
propelled And man oh man she makes me feel so well
Uh-huh-huh, mm, mm, uh-huh-huh, huh-huh-huh-huh
She looks into my eyes, we both are hypnotized She
puts her hand in mine afraid she'll jerk around and hurt
my spine Well my baby's kisses are jet propelled uh-
huh-huh, uh-huh-huh Well my baby's kisses are jet
propelled And man oh man she makes me feel so well
Uh-huh-huh, mm, mm, uh-huh-huh, huh-huh-huh-huh
