Young love, young love
Young love, young love

They say, for every boy an' girl
There's just one love in this whole world
And I know, I found mine
The heavenly touch of your embrace
Tells me no one can take your place
Ever in my heart

Young love, first love
Filled with true devotion
Young love, our love
We share with deep emotion

Emotion, emotion

Oh, just one kiss from your sweet lips
Will tell me that your love is real
And I can feel, that it's true
We will vow to one another
There will never be another
Love for you or for me

Young love, first love
Filled with true devotion
Young love, our love
We share with deep emotion

Emotion

Young love, young love, young love
