You sigh, the song begins;  
You speak, and I hear violins --  
It's magic.

The stars desert the skies,  
and rush to nestle in your eyes --  
It's magic.

Without a golden wand  
or mystic charms,  
Fantastic things begin  
when I am in your arms.

When we walk hand-in-hand,  
The world becomes a wonderland --  
It's magic.

How else can I explain  
those raindrops when there is no rain?  
It's magic.

Why do I tell myself  
these things that happen are all really true?  
When, in my heart, I know the magic is  
my love for you.

It's magic...

It's magic...

Why do I tell myself  
these things that happen are all really true?  
When, in my heart I know, the magic is  
my love for you.
