Starlit night

The moon shing bright

You are the one I heed

Up at your window

I see a shadow

Silhouette of your grace

Here's this flower

I picked for all the hours

That you've spent with me

The one I love

That I've been dreaming of

Sailing across the sea

Let my hands flow through

You hair. Moving closer

A kiss we'll share

Passionate love to be all night long

We'll never break, as one too strong

Npthing's more

That what our love is for

As I kiss your cheek

Oh so softly

Hands flowing down my back

1,000 hours, I'll never leave

Our romance

Is a love trance

And now we'll never part

1,000 hours

Of such a love shower

We'll never stop, once we start
