What brings you around?
Did you lose something the last time you were here?
You'll never find it now
It's buried deep with your identity
So stand aside and let the next one pass
Don't let the door kick you in the ass
There's no return from 86
There's no return from 86
There's no return from 86
Don't even try...
Exit out the back
And never show your head around again
Purchase your ticket
And quickly take the last train out of town
So stand aside and let the next one pass
Don't let the door kick you in the ass
There's no return from 86
There's no return from 86
There's no return from 86
Don't even try...
There's no return from 86
There's no return from 86
There's no return from 86
Don't even try
