Come with me and let's go for a ride

Follow me to the other side

As I sit around and watch you pout

Cause I know that you're the

Best thing in town Best thing around

Best thing in town Best thing around

Running wild and always running free

Doing things that I have never seen

Eerie colors and all I see are sounds

Now I know that you're the

Best thing in town Best thing around

Best thing in town -- Best thing around

(missing a verse here)

Come with me and let's go for a ride

Follow me to the other side

As I sit around and watch you pout

Cause I know that you're the

Best thing in town -- Best thing around

Best thing in town -- Best thing around

Running wild and always running free

Doing things that I have never seen

Eerie colors and all I see are sounds

Now I know that you're the

Best thing in town -- Best thing around

Best thing in town -- Best thing around

(missing Billie's mumblings
