I declare I don't care no more  
I'm burning up and out and growing bored  
In my smoked out boring room  
My hair is shagging in my eyes  
Dragging my feet to hit the street tonight  
To drive along these shit town lights

I'm not growing up, I'm just burned out  
And I stepped in line to walk amongst the dead

Apathy has rained on me  
Now I'm feeling like a soggy dream  
So close to drowning but I don't mind  
I've lived in this mental cave  
Throw emotions in the grave  
Hell, who needs them anyway

I'm not growing up I'm just burned out  
And I stepped in line to walk amongst the dead
