I want to be your dominated love slave

I want to be the one that takes the pain

You can spank me when I do not behave

Mack me in the forehead with a chain

Cause I love feelin' dirty

And I love feelin' cheap

And I love it when you hurt me

So drive those staples deep

I want you to slap me and call me naughty

Put a beltsander against my skin

I want to feel pain all over my body

Can't wait to be punished for my sins
