"Dry Ice"

Late last night I had a dream
And she was in it again
She and I were in the sky
Flying hand in hand
I woke up in a cold sweat
Wishing she was by my side
Praying that she'll dry fears
Left on my face I've cried
Oh I love her
Keep dreaming of her
Will I understand
If she wants to be my friend
I'll send a letter to that girl
Asking her to be my own
But my pen is writing wrong
So I'll say it in a song
Oh I love you more right now
More than I've ever loved before
Here's those words straight from these lips
I'll need you forever more
