Somethings on my mind
It's been for quite some time
This time I'm on to you
So where's the other face
The face I heard before
Your head trip's boring me
Let's nuke the bridge we torched
2000 times before
This time we'll blast it all
To hell
I've had this burning in my guts
Now for so long
My belly's aching now to say
Stuck down in a road
Of dislogic and smoot
A side of you well hid
When it's all said and done
It's real and it's been fun
But was it all REAL fun?
Let's nuke the bridge we torched
2000 times before
This time we'll blast it all
To hell
I've had this burning in my guts
Now for so long
My belly's aching now to say
You're just a fuck
I cant explain it cuz I think you suck
I'm taking pride on telling you to fuck off and die
I've had this burning in my guts
Now for so long
My belly's achin now to say
I'm taking pleasure in the doubts I've passed to you
So listen up as you bite this
"Good night"
