"Another turning point;
a fork stuck in the road.

Time grabs you by the wrist;
directs you where to go.

So make the best of this task
and don't ask why.

It's not a question
but a lesson learned in time.

It's something unpredictable
but in the end is right.
I hope you had the time of your life.

So take the photographs
and still frames in your mind.

Hang it on a shelf
of good health and good time.

Tattoos of memories
and dead skin on trial.

For what it's worth,
it was worth all the while.

It's something unpredictable
but in the end is right.
I hope you had the time of your life."

It's something unpredictable
but in the end is right.
I hope you had the time of your life."

It's something unpredictable
but in the end is right.
I hope you had the time of your life."
