My friend drove off the other day
Now he's gone and all they say
is you gotta live cause life goes on
Well now I see I'm mortal too
I can't live my life like you
Gotta live it up while life goes on
And I think it's alright
That I do what I like
Cause that's the way I wanna live
And so I give and I'm still giving
Now I wonder about my friend
If he gave all he could give
Cause he lived his life like I've lived mine
If you could see inside my head
Then you'd start to understand
the things I value in my heart
And I think it's alright
That I do what I like
cause that's the way I wanna live
And so I give and I'm still giving
You know that

I know that

You're watching me

And I think it's alright

That I do what I like

cause that's the way I wanna live

And so I give and I'm still giving

Gotta make a plan, gotta do what's right

Can't run around in circles if you wanna build a life

But I don't wanna make a plan for a day far away

While I'm young and while I'm able all I wanna do is
