Sit around and watch the tube but nothing's on
I change the channel for an hour or two
Twiddle my thumb just for a bit
I'm sick of all the same old shit
In a house with unlocked doors
And I'm fucking lazy
Bite my lip and close my eyes
Take me away to paradise
I'm so damn bored I'm going to blind!!!
And I smell like shit
Peel me off from this velcro seat and get me moving
I sure as hell can't do it by myself
I'm feeling like a dog in heat
Barred indoors from the summer street
I lock the door to my own cell
And I lost the key
I got no motivation
Where is my motivation
No time for motivation
Smoking my inspiration
I sit around and watch the phone but no one's calling

Call me pathetic, call me what you will
My mother says to get a job
But she don't like the one she's got
When masturbations lost its fun
You're fucking breaking
Bite my lip and close my eyes
Take me away to paradise
I'm so damn bored and I'm going to blind
And loneliness has to suffice
Bite my lip and close my eyes
Slipping away to paradise
Some say quit or I'll go blind
But it's just a myth
