i want to be the minority
i dont need your authority
down with the moral majority
'cause i want to be the minority
i pledge allegiance with the underworld
one nation under dog
there of which i stand alone
a face in the crowd
unsung, against the mold
without a doubt
singled out
the only way i know
i want to be the minority
i don't need your authority
down with the moral majority
'cause i want to be the minority
stepped out of the line
like a sheep runs from the herd
marching out of time
to my own beat now
the only way i know

one light, one mind
flashing in the dark
blinded by the silence of a thousand broken hearts
"for crying out loud" she screamed unto me
a free for all
fuck 'em all
"you are your own sight"
i want to be the minority
i don't need your authority
down with the noral majority
'cause i want to be the minority
