Why should my fun have to end?

For me it's only the beginning

I see my friends begin to age

A short countdown to what end

Call me irresponsible

Call me habitual

But when you think of me

Do you fill your head with schemes

Better think again

Cause no one knows

I don't want to cause no harm

But sometimes my actions hurt

Is there something I should find

To make plans for forever

Does it seem like all your memories fade

You soak up knowledge to fill the space

And still my answer remains...

I don't know
