Juliet's trying to find out what she wants, but she don't
know
Experience has got her down
Look this direction; I know it's not perfection, it's just
me
I want to bring you up again now

Chorus:
Cuz I'm losing what's left of my dignity
A small price to pay to see that you're happy
Forget all the disappointments you have faced
Open up your worried world, and let me in

Juliet's crying cuz now she's realizing love can be
Filled with pain & distrust
I know I am crazy, and a bit lazy
But I will try to bring you up again now

(Chorus)

Juliet's crying cuz now she's realizing love can be
Filled with pain & distrust
I know I am crazy & a bit lazy
But I will try to bring you up again now

(Chorus)
