Wherever you go, you know i'll be there

If you go far, you know i'll be there

I'll go anywhere. So I'll see you there

You place the name you know i'll be there

You name the time you know i'll be there

I'll go anywhere. So i'll see you there

I don't care if you don't mind

I'll be there not far behind

I will dare. Keep in mind

I'll be there for you

Where there's the truth, you know i'll be there

Amongst the lies, you know i'll be there

I'll go anywhere. So i'll see you there

If you should fall, you know i'll be there

To catch the call, you know i'll be there

I'll go anywhere. So i'll see you there
