I wonder down these streets all by myself

Think of my future now

I just don't know

I don't seem to care

I stop to notice that

I'm by your home

I wonder if you're sitting all alone

Or is your boyfriend there

Because I feel so right

Let my imagination go

Until you're in my sight

And through my veins temptation flows

So I sit down here on the hard concrete

Think of my future now

I just don't know

I don't seem to care

So I sit across the street from your home

I wonder if you're sitting all alone

Or is your boyfriend there
