"Pulling Teeth"

Visit "[Pulling Teeth](#)" on MotoLyrics.com

I'm all busted up

Broken bones & nasty cuts

Accidents will happen

But this time I can't get up

She comes to check on me making sure I'm on my
knees

After all she's the one who put me in this state

Is she ultra violent ?

Is she disturbed ?

I better tell her I love her

Before she does it all over again

Oh god she's killing me !!!

For now I'll lie around

Hell that's all I can really do

She takes good care of me

Just keep saying me love is true

Looking out my window fo

Someone that passing by

No one knows I'm locked in here

All I do is cry
