"Redundant"

We're living in repetition
Content in the same old shtick again
Now the routine's turning to contention
Like a production line going over and over and over
Roller coaster

Now I cannot speak, I lost my voice
I'm speechless and redundant
'Cause I love you's not enough
I'm lost for words

Choreographed and lack of passion
Prototypes of what we were
Went full circle 'til I'm nauseous
Taken for granted now
Now I waste it, I faked it, I ate it, now I hate it

'Cause I cannot speak, I lost my voice
I'm speechless and redundant
'Cause I love you's not enough
I'm lost for words, now I cannot speak

Now I cannot speak, I lost my voice
I'm speechless and redundant
'Cause I love you's not enough
I'm lost for words
