I'm rotting inside

My flesh turns to dust

Whisper, are you dying in my ear?

I'm so sick to death

Tumors in my head

Whisper, are you dying in my ear?

Black rose of death

In my fist I clutch

Thorns shred my finger tips

And drips toxic blood

Kiss me one last time

Wipe off my sweat

Whisper, are you dying in my ear?

As my bones they rust

20lbs of trust

Whisper, are you dying in my ear?

Black rose of death

In my fast like lunch

Thorns shred my finger tips

And drips toxic blood

I'm rotting inside

My flesh turns to dust

Whisper, are you dying in my ear?

Kiss me one last time

Wipe off my sweat

Whisper, are you dying in my ear?

Whisper, are you dying in my ear
