"Scattered"

I've got some scattered pictures lying on my bedroom floor.

Reminds me of the times we shared.

Makes me wish that you were here.

Now it seems I've forgotten my purpose in this life.

All the songs have been erased.

Guess I've learned form my mistakes.

Open the past and present.

Now and we are there.

Story to tell and I am listening.

Open the past and present and the futute too.

It's all I've got and I'm giving it up to you.

Loose ends tied in knots.

Leaving a lump down in my throat.

Gagging on a souvenir.

Lodged to fill another year.

Drag it on and on until my skin is riped to shreds.

Leaving my self wide open, living out a sacrifice.

If you got no one and I've got no place to go,

would it be alright? Could it be alright
