See a young girl so soft and blonde.

Doesn't attack me but she did once.

Intoxications in her veins.

Sweet young boy plays with her brain.

Lydia'll bring to life.

What are your chance not to oblige.

Putting his hand on her thigh.

Ability has now been ripped.

Take it away I'd rather sit.

Sweet children sweet children sweet children.  
Remember when.

Johnny's playing fun and games or else he's ?in the  
storage shed?.

Running from the light of day, or maybe lie and  
celebrate.

The funny circus from his head.

Follow me if you understand.

I'll trick her so she'll do it.

Then I'll sing and now we run.

Sweet children, sweet children, sweet children.  
Remember when.

Sweet children, sweet children, sweet children.  
Remember when
