"The Minority"

I wanna be the minority
I don't need your authority
Down with the morals of majority
'cuz I wanna be the minority
I pledge allegiance to the underworld
One nation under dark
the freaks are all alone
A face in the crowd
A song against the mold
without a doubt singled out
the only way I do
'cuz I wanna be the minority
I don't need your authority
Down with the morals of majority
'cuz I wanna be the minority
Step out on the light
Like a sheep runs from the herd
Marching out of time
to my own beat now
the only way to go
One light, One mind, flashin in the dark,

Blinded by the silence of a thousand broken hearts
for crying out loud, she screamed unto me
A free for all, Fuck em all,
You, you're a sight
'cuz I wanna be the minority
I don't need your authority
Down with the morals of majority
'cuz I wanna be the minority (hoo!)
One light, One mind, flashin in the dark,
Blinded by the silence of a thousand broken hearts
for crying out loud, she screamed unto me
A free for all, Fuck em all,
You, you're a sight
'Cuz I wanna be the minority
I don't need your authority
Down with the morals of majority
'cuz I wanna be the minority
the minority... the minority...
the minority... the minority
