a remake of the Kinks tune; not a single, but a B-side of Basket Case)

So tired

Tired of waiting

Tired of waiting for you

(repeat)

I was a lonely soul

I had nobody till I met you

But you, keeping me waiting, all of the time

What can I do?

It's your life

And you can do what you want

Do what you like

But please don't keep me waiting

Please don't keep me waiting

Cuz I'm so tired

Tired of waiting

Tired of waiting for you

(repeat)

(repeat verse and chorus)
