"Uptight"

I woke up on the wrong side of the floor

Made made my way through the front door

Broke my engagement with myself

Perfect picture of bad health another notch scratched
on my belt

The future just ain't what it used to be

I got a new start on a dead end road

Peaked peaked out on reaching new lows

Owe I paid off all my debts to myself

Perfect picture of bad health another notch scratched
on my belt

The future's in my living room

Uptight, I'm a nag with a gun

All night, suicide's last call

I've been uptight all night

I'm a son of a gun

Uptight I'm a nag with a gun
