"This is a public service announcement

This is only test

Emergency evacuation protest

May it impair your ability to operate machinery

Can't quiet tell just what it means to me

Keep out of reach children

Don't talk to strangers

Get your philosophy from a bumper sticker

Warning: Live without warning

Warning: Live without warning

Better home and safety sealed communities?

Did you remember to pay the utility?

Caution: police line: you better not cross

Is it the cop or am I the one that's really dangerous?

Sanitation, Expiration date, Question eveerthing?

Or shut up and be the victim of authority

Warning: Live without warning

Warning: Live without warning

Better home and safety sealed communitites?

Did you remember to pay the utility?

Caution: police line you better not cross

Is it the cop or am I the one that's really dangerous?

Sanitation, Expiration date, Question everything?

Or shut up and be the victim of authority

Warning: live without warning

Warning: live without warning
