Brathikedha nee kosamay Na upiri ne dhyaname
Na jeevithame ne kankithamaye
Needu seva jethu punyamani bhavinthu
nenu chevara swasavaraku

Brathikedha nee kosamay swami
Brathikedha nee kosamay

Sramayanu bhadayu naku kaligina
Virulu Ellaru nannu chuttina
Needu nyaya sasnamune patinthu
Naloni balamu nannu vidichina
Na kannu dushti tapipoyena Nenu cheri needu sakthi ponda
Needu Athma thoda loka rakshaka

Brathikedha nee kosamay Na upiri ne dhyaname

Vakyame mroguta Viswasamu velladi cheyuta
Eha mandu Yogyamayena Karyamuga ne talachi
Needu rudhirambu cheta nenu Khadagabadena needu sothu kadha
Nenu jupa lokambulona nedu
Velugu deepamuga nadha

Brathikedha nee kosamay Na upiri ne dhyaname
Na jeevithame ne kankithamaye
Needu seva jethu punyamani bhavinthu nenu chevara swasavaraku

Brathikedha nee kosamay Na upiri ne dhyaname .
