no one told me that 16 would be so lonely.
I couldnt make my one and only.
But you wont find her in my school or in my classroom.
ull only find her hidden in my familys bathroom.
Ay Ay Ay.
Take it right now in the night time.
Ay Ay Ay cause I know it is the right time.
and she will never tell because everytime I look.
I know shes waiting for me in the pages of the book.
So common Jenna Jameson you might not need a
hobby.
Deep under the covers when the night is getting
darker.
I dont know if this love is true but I cant feel better
Than when Im alone with you.

all the kids now in my class they just dont get it, But I
know
but deep down there all jelous.
I know the girlfriends and I know just what there out for
To compare those two pictures in my locker.

Ay Ay Ay.
Take it right now in the night time.
Ay Ay Ay cause I know it is the right time.
Tell and tell because everytime I look.
I know shes waiting for me in the pages of the book.
So common Jenna Jameson you might not need a
hobby.
Deep under the covers when the night is getting
darker.
I dont know if this love is true but I cant feel better
Than when Im alone with you.

When Im alone with you(4X)
Whoa.

If my dad finds out then I know Ill be in trouble.
Anyone that finds me there Ill get a double.
When my sis says that I aint no bad at all.
All the girlfriends that I used to call

So common Jenna Jameson you might not need a
hobby.
Deep under the covers when the night is getting
darker.
I dont know if this love is true but I cant feel better
Than when Im alone with you.
When Im alone with you(7x)

Thanks to Jessica :)
