you are my
girlt x3
and i am your
boy x3
you are my
girlt x3
and i am your
boy tonight

Took me two hours to decide what to wear
But i bet you don't even care
Is it cool if we hang out real late
Cause tonight is our blind date
Are my pants to tight
Is my hair just right
Can I spend the night with

You are my girl tonight
(you are my girl tonight)
You are my girl tonight
(and I am your boy tonight)
You are my girl tonight
And I am your boy tonight

When are we gonna leave
And what are we gonna eat
I hope that your not beat not beat not off beat
Do you know my way
Do we both feel the same
Damn this is really lame Goodnight!

You are my girl tonight
(you are my girl tonight)
You are my girl tonight
(and I am your boy tonight)
You are my girl tonight
And I am your boy tonight

you are my
girlt x3
and i am your

boy x3
you are my
girlt x3
and i am your
boy tonight

You are my girl tonight
(you are my girl tonight)
You are my girl tonight
(and I am your boy tonight)
You are my girl tonight
And I am your boy tonight
