Blackbird, why you wearing that frown?

Don't you know Jesus loves you and me and the
preacher on T.V. you're putting

down

Blackbird, how I love to hear your songs

I could spend all of my time in the shade of the trees
and listen all day long

Chorus

But you're ever hearing, never understanding

Ever seeing, not perceiving and your heart has grown
callous

You're in a storm and lost your way

Won't you fly to heaven and be saved today

Blackbird, now you've broken your wing

You try to fly to high but you know that you can't go
anywhere, can't do

anything

Blackbird, who put you in your cage?

Tell me was it God or was it you?

Was it me? I guess it don't matter anyway

(Chorus)

Bridge

You say you need a remedy for the thorn in your pride

I think it's such a tragedy
That you have left him behind
You say you'd light your candle
But your love light doesn't shine
You say you talk to angels
Well I say it's such a lie
(Chorus
