

Day Third

"Holy Spirit"

I can feel it in the air, I can feel it in this place

and I hope that he never leaves

I'm now without a care. It is something I can't explain

And I feel so free

Chorus:

Holy Spirit, we cry to you

Holy Spirit, in this place

Holy Spirit, give us comfort

Come down on us like a flame

Read about him in the Bible. He was in the men of God

And though I don't deserve it, He is in me

You can feel a new revival. Ask Jesus in your heart.

And you'll feel so free....

(Chorus)

Bridge:

You've got to feel it, oh to believe it

You've got to see it, won't you receive it

Why don't you believe in....

(Chorus)
