Hey Mama, take a look at me now

Things are going fine here in the big town

Hey Mama, if you could only see

All of my friends and how they love me

And I know, you said I need Jesus

But mama can't you see I'm doing fine

Yes I know, you said I need Jesus

But mama I aint got the time, no I aint got the time

No, no

Hey mama, it's been two long years since I have seen
you

How are things you hear

Hey mama, things they aren't the same

Since I last wrote you, well things have changed

And I know, you say I need Jesus

But mama can't you see I'm doing fine

And I know, you say I need Jesus

But mama I aint got the time, no I aint got the time

No, no

Well, everything's going wrong

Yes, everything's going wrong

No, I can't take it no more

Well, everything's going wrong

Yes, everything's going wrong

No, I can't take it no more

Well, I need Jesus

I guess I need Jesus

Forgive me

Come into my life, Come into my heart

Precious Jesus, precious Jesus

And I know, you said I need Jesus

But mama can't you see I'm doing fine

Yes I know, you said I need Jesus

Well mama he is in my life, yes he is in my life

Yeah, yeah
