Don't know how long I've been in here
Don't know for how long
Don't know how long I've been in here
Time just disappears
Don't know where I am
Or why I'm here
It's so big you can disappear
But I don't know why I'm here

But I'm not alone anymore
You are also here
Wherever I decide to go
You're already there

Cause' in my own little heaven
It's you and me
Everywhere I go
It's you I see
It's you and me

Don't know how long I've been in love with you
Don't know for how long
Maybe you don't know me
And I don't know you
But I see when you come to school
And I see what you do
Everytime I see you I now that I love you
I love you so

In my own little heaven
It's you and me
Everywhere I go
It's you I see
It's you and me

In my own little heaven
It's you and me
Everywhere I go
It's you I see
It's you and me

You're in my mind
You're in my mind
All the time
You're in my mind
All the time

Don't know If you will ever now It's me
But I really don't care
Cause' in my fantasy
You'll always be there
I think about you all the time
I can't never let go
I hope that I'm not insane
But I don't think so

In my own little heaven
It's you and me
Everywhere I go
It's you I see
It's you and me

In my own little heaven
It's you and me
Everywhere I go
It's you I see
Baby, you and me

I said girl
You're in my mind
You're in my mind
All the time
Baby, in my mind
You're in my mind
In my mind

Yeah, yeah, yeah

You're in my mind
Baby, in my mind
All the time
Girl, in my mind
All the time
