Eh eh  
Yeah yeah  
Oh oh oh

Just another day  
Same in every way  
Doing what I should do  
What other people say

I think it's time I take  
Charge of my own faith  
I know it's not too late, it's not too late, it's not too late

Eh Eh  
Yeah yeah  
Oh oh oh

Well you can break my bones  
With sticks and stones  
But you can't hold me down  
I think it's time I break  
The rules you make and make some of my own  
I'm taking all your flaws  
Your sticks and stones  
Your sticks and stones...

Mistakes I have made  
Cut me like a blade  
But what really kills me  
Is the madness I've obeyed  
So to save my soul  
I'm taking all they stole

I'm breaking my parole, I'm letting go, I'm letting go yeah

Eh eh

Yeah yeah

Oh oh oh

Well you can break my bones

With sticks and stones

But you can't hold me down

I think it's time I break

The rules you make and make some of my own

I'm taking all your flaws

Your sticks and stones

Your sticks and stones
