I've been afraid through all my life
But I'm not afraid tonight
I pack my bags, I throw the dice
Tonight I leave it all behind

All the world is waiting just for me and
Things will never be the same again

Tell the world I'm here
To change it
Tell the world I'm here
To show you
Show you that I am
Sincere
Tell the world I'm here

There is a place for everyone
And here is where I belong
I have searched and I have found
And this is what I have become

All the world is waiting just for me and
Things will never be the same again

Tell the world I'm here
To change it
Tell the world I'm here
To show you
Show you that I am
Sincere
Tell the world I'm here

I'm on my way, yes I'm on my way
I'm not far away, just tell the world

I'm on my way, yes I'm on my way

I'm not far away, just tell the world I'm here

Tell the world I'm here

To change it

Tell the world I'm here

To show you

Show you that I am

Sincere

Tell the world I'm here
