Things are getting harder
For me and my step partner
To keep this thing we got
On the low unless we stop
They're trying to be in our business
But still they haven't witnessed
The type of love that we share
Cause we won't show it while they're there
1 - Let's keep this thing between me and you
They don't have to know
What you and I decide to do
Keep it on the low, and
Every night you come on through
No one seems to have a clue
About the things that we do
2 - As far as they know
You and I we just be
Always hanging out so frequently
As far as they know
You my play bro
And being good friends is all that they know

As far as they know
Me and you we just fool
They don't even know that you really are my boo
As far as they know
As far as they know
You and I we just real tight, aiight
Me and my step partner
Have kept it on the down low so far
So many times I've slipped up
Almost let my girls know what's up
So I gotta make sure no one else around
So we can get down when you come around
Don't want them around our way
Keep this thing between you and me
Repeat 1
Repeat 2
We have a secret love affair
And no one even knows
That the feeling's there
This is so exciting
That it's our thing
And no one can hate or take
What we
