Well, I knocked on your door last night, baby, yes, and  
you wouldn't let old Sonny in  
Well, I knocked on your door last night, little woman,  
yes, and you would not let old Sonny in  
Well, you know, I'm goin' back tomorrow night, yes, you  
know, I'm gonna try my luck again

Well, I done told you, little woman, well, you know, I  
ain't gonna tell you no more  
Well, I done told you, little woman, well, you know, I  
ain't gonna tell you no more  
Well, you know, the good book said you gonna, whoa,  
reap just what you sow

You know, I give you all my money, I can't stand the  
way you do  
You know, I give you all my money, I can't stand the  
way you do  
Well, you know, you have been a good little girl, whoa,  
but you just won't be true

Well, I'm gonna buy me a pistol, little woman, made up  
on a .44 frame  
Well, I'm gonna buy me a pistol, little woman, made up  
on a .44 frame  
Well, you can look down in the ground, little woman,  
whoa, you know, you can see that undertaker man

Well, you know, I feel like snappin', baby, yes, my pistol  
all in your face  
Well, you know, I feel like snappin', baby, yes, my pistol  
all in your face  
Well, you know, some old lonely graveyard, yes, will be  
your restin' place
