My baby says she's leavin' me, and I ain't done nothin'
wrong

My eyes on you baby, you can't do me no harm

I got my eyes on you

I got my eyes on you

I got my eyes on you, woman

There ain't nothin' in this world you can do

She got up this mornin', whoa, 'bout the break of day

Run to the door tryin' to make a getaway

I got my eyes on you

I got my eyes on you

I got my eyes on you, woman

There ain't nothin' in this world you can do

C'mon in this house little girl, and make yourself at
home

Know you can't leave me, all alone

I got my eyes on you

I got my eyes on you

I got my eyes on you, woman

There ain't nothin' in this world you can do

I cooked the little girl breakfast, and I served it in the
bed

Now, she want to leave, but she heard what I said

I got my eyes on you

I got my eyes on you

I got my eyes on you, woman

There ain't nothin' in this world you can do

I gived her all my money, and I thought I was doin' right
If she tempt that evil again, you know, it's bound to be
a fight

I got my eyes on you

I got my eyes on you

I got my eyes on you, woman

There ain't nothin' in this world you can do

I took the little girl in, people, you know, I treated her
just like a queen

Now, she want to leave, but it don't mean a thing
I got my eyes on you
I got my eyes on you
I got my eyes on you, woman
There ain't nothin' in this world you can do
