My baby done chained, well, she done chained the lock  
on the door  
My baby done chained, well, she done chained the lock  
on the door  
Well, she said: "That key you got, Sonny, woo-oh, won't  
fit this old lock no more"

I went home last night by half past 10, I tried to get the  
key in the lock, people,  
and I couldn't get it in  
'Cause the woman done chained, well, she done  
chained the lock on the door  
Well, she said: "That little rusty key you got, Sonny, oh,  
won't fit this old lock no more"

I wanna let you all know people, I couldn't get in my  
house,  
'cause I had did wrong or something, you know, she  
told me  
I have been wrong, she locked me out  
Well, I's out, out there in the dark at night,  
over a friend of mine come up to the door after he  
says,  
"Sonny, what you doin' out here man?"  
I says: "Man, I can't get in my house"  
He says: "What you mean, you can't get in your own  
house?"  
I said: "Man, the old lady chained the lock on the door"  
He say: "It's too bad for you buddy"  
I say: "Man, you can't tell me nothin' make me feel  
good?"  
He say: "Oh, no, man, I can't tell you nothin' make you  
feel good,  
I say, go ahead tell me one them bad on that man"  
And this what the fool said, he said:  
"Go around, man, and peep in that window and see  
who else she got in there"  
You know I went around there and I did that too  
I walked around to my window to see her, I could see  
She hugged and kissed another big ol' man and I know  
he warn't me

'Cause she done chained, well, she done chained the  
lock on the door,  
Well, she said: "That key you got, Terry, whoo-oh, won't  
fit this ol' lock no more"  
I'm gonna play it a little now

I called the woman up, "Honey, what you want Sonny  
Terry to bring?"  
You know, she whispered low and evil: "Don't bring a  
doggone thing,  
'Cause I done chained, oh, I done chained the lock on  
the door"  
Well, she said: "That key you got, butthead, oh, won't  
fit this old lock no more"  
Yea, yes, yes, "Won't fit this old lock, lock no more"  
Woo, oh, woo, oh, yeah
