Well, just thinkin', thinkin' and I'm worrying
Sitting here dreaming Sonny boy I'm crying
Just thinkin', worrying
Worrying myself to death all over you

I've been waiting, darling, you've been gone
Sitting here begging, sweetheart won't you come home
I won't even ask you one question
Since you've been gone I've learned my lesson, darling

I say walking, I'm always running
Stand around waiting, I'm always dreaming
Although you're gone
But you still, still linger on, linger on my mind

I thought once to win you, I thought it would be a
blessing
To lose you, I'll wind up confessing
How much I'm gonna miss you
Most of all your love, so true and kind

Well, just knowing that our love is all over
And I'll be leaving, our love will be no more
I think it's better to have loved and lost
Than to have nothing to think and worry about, no time
Alright, alright let's play that

Well, just knowing, knowing, knowing our love is all
over
And I'll be leaving, be leaving, be leaving, our love will
be no more
I think it's better to have loved and lost
Than to have nothing to think and worry about, no time
