Oh, Lordy Lord, oh, Lordy Lord
Well, it hurts me so bad, for us to part
But someday, babe, I ain't gonna worry my life
anymore

You are on my mind, baby, everyplace I go
How much I love you, nobody know
But someday, baby, I ain't gonna worry my life
anymore

You told me you love me, I thought it was true
I mistreated my home, all on account of you
But someday, baby, I ain't gonna worry my life
anymore

No matter how long you gone, baby, no matter how
long you stay,
Yes, good kind treatment will bring you back someday
But someday, baby, I ain't gonna worry my life
anymore

Now, boy, I'm gonna let you worry me a little bit

So, that's my story, all I gotta say to you:
"Goodbye baby, I don't care what you do
But someday, baby, I ain't gonna worry my life
anymore"
