Verse 1

I know it's not the first time and it won't be the last time.
You go to work but I stay at home.
Your friends all drive you crazy, they tell you that I'm
lazy.
They claim you're better off on your own.

Chorus

Baby, why're you always there for me
And giving me the life of luxury
And you don't wanna end up stuck with me,
I'm a loser with no life.
Can't forget about the way it used to be,
School is not my favourite memory
Everybody passed except for me
I'm a loser with no life

Verse 2

I wish that I was smarter, that I had studied harder,
So I could do what you do for me.
You make my life so perfect; you tell me that I'm worth
it,
And that's the way you think it should be

Chorus 2

Baby, why're you always there for me
And giving me your life of luxury
And you don't wanna end up stuck with me,
I'm a loser with no life.
Yeah, your dad's got no respect for me
He's trying to find a way to burry me
He's saying you deserve much more from me
I'm a loser with no life

Middle 8

I sort of knew that you would leave; I got some good
inside of me
Baby are you losing sleep? I'm not afraid of the
shadows when I creep
Outside into the dark, I love you till death do us part

Chorus 3

I wanna go down in history for living at my girlfriend's
house for free

Someone put me out of my misery; I'm a loser with no
life

Baby, why're you always there for me, and giving me
the life of luxury

But you don't wanna end up stuck with me; I'm a loser
with no life

I wanna go down in history for living at my girlfriend's
house for free

Someone put me out of my misery; I'm a loser with no
life
