5, 4, 3, 2, 1, thunderbirds are go

Spring breaks come around  
And there's more heros to be found  
There's something major going down on Tracy island  
(island)  
Weapons underground  
Keeping our planet safe and sound  
If someone evils coming round  
They should be frightened (frightened)

Cause now the boys are back in town  
No strings to hold them down...down...

Don't be mad please, stop the hating  
just be glad that they'll be waiting  
friends we have are ever changing you  
Now the lids about to blow  
when the thunderbirds are go

Kids are learning fast  
They know the t-birds kick some ass  
Be sure that there's no coming last  
If you're on their side (their side)  
It always looks so cool  
When spaceships come out of the pool  
You know that you'd just be a fool  
To be a bad guy (bad guy)

Cause now the boys are back in town  
No strings to hold them down...down...

Don't be mad please, stop the hating  
Just be glad that they'll be waiting  
Friends we have are ever changing you  
Now the lids about to blow  
When the thunderbirds are go

Thunderbirds are go! Go! Go! Go! Go! Go! Go! Go!

Don't be mad (don't dispire)  
please stop the hating (we'll be there)

Just be glad that they'll be waiting  
Friends we have are ever changing you  
Now the lid's about to blow  
When the thunderbirds are go

Thunderbirds are, Thunderbirds are go
