(Donald Black/Walter Scharf) - reprise de Michael Jackson

Ben, the two of us need look no more
We both found what we were looking for.
With a friend to call my own, I'll never be alone
And you my friend will see, you've got a friend in me.
(You've got a friend in me.)

Ben, you're always running here and there
You feel you're not wanted anywhere.
If you ever look behind and don't like what you find
There's something you should know: you've got a place
to go.
(You've got a place to go.)

I used to say "I" and "me", now it's "us", now it's "we".
I used to say "I" and "me", now it's "us", now it's "we".
Ben, most people would turn you away
I don't listen to a word they say
They don't see you as I do; I wish they would try to
I'm sure they'd think again if they had a friend like Ben
(A friend) Like Ben (Like Ben) Like Ben.
