Baby, come up and let me talk to you, girl  
I got the feeling when your body starts burnin'  
Baby, come up and let me talk to you, girl  
Give me a holler when your body starts sturnin'

Everybody party tonight  
I need a girl that make me dance all night  
I got the sound that make your people keep movin'  
You got your ass so baby do what you're doin'  
I told we gonna rock the spot  
Shake your girl, come and make it hot  
The way you dance make me wanna brush  
Somebody, come and tell me not to rush

(Chorus)  
Get up and dance  
Throw up your hands  
Get up and dance  
Show me what you're made of  
Get up and dance  
Throw up your hands  
Get up and dance  
Show me what you're made of  
All around the world  
All around the world

Baby, come up and let me talk to you, girl  
I got the feeling when your body starts burnin'  
Baby, come up and let me talk to you, girl  
Give me a holler when your body starts sturnin'

Everybody party tonight  
I need a girl that make me dance all night  
I got the sound that make your people keep movin'  
You got your ass so baby do what you're doin'  
I told we gonna rock the spot  
Shake your girl, come and make it hot  
The way you dance make me wanna brush  
Somebody, come and tell me not to rush

(Chorus)

I told we gonna rock the spot  
Shake your girl, come and make it hot  
The way you dance make me wanna brush  
Somebody, come and tell me not to rush

(Chorus)
