"Take Me Back"

All alone
I watch the sun set in the horizon
The sky turns blue
God knows that I am too
And as I'm sitting here
The wind blows memories to my mind
So I close my eyes and try
To say a silent prayer

[chorus]
So won't you take me back
Cause I'm falling down
Oh help me find my way
Into safer ground
Oh won't you take me back
Cause I just can't seem to find the way

I've lost my grip of time
So many choices so many options
And as I my mind was so confused
I think I lost myself
And like I used to say
I know what I want and I'm gonna get it
But that was long ago
I'm just a shadow of myself

[chorus]

So here I am
And I'm still sitting here all alone
But though my mind was so confused
I think I found myself
